Brewster Business Community Newsletter

Brewster Business Owners on Route 6A

Route 6A repaving and sidewalk work is out for bid. The opening of bids is scheduled for February 18, 2015. Work could begin as early as April 2015. See more detailed info on our website.

In anticipation of this job, National Grid is extending its expanded pipeline from Millstone Road to the Orleans line. The Brewster Water Department is currently seeking bids on replacing all service lines on Route 6A before the repaving takes place.

We will make sure access to your business is assured during all of this work.

October 2014

Business Listing Form

Stay current in our records management system.
Please be sure that we have your contact information.
Your information WILL NOT be shared with anyone.

*A copy of our Business Listing Form can be found at
<http://www.brewsterpolice.org/businesslistingform.doc>*

Our summer season in 2014 was especially busy. Traffic was heavy. More parking tickets were issued than any previous summer. *While we don't pride ourselves on tickets, it means that our beaches were busier than ever.* The Town is looking at providing more parking in the east end of Town to compensate for the loss of spaces in Paine's Creek, Mant's Landing and Breakwater.

While burglaries were down in 2014, we still want you to follow best practices. Addiction to substance is still a big problem on the Cape and it drives property crime. Larceny, forgery, and shoplifting are still affecting business owners in our area. Please be alert and report all incidents to us. Make sure your alarm is working and if you don't yet have a video surveillance system, consider adding one. If you have one, make sure it is working. BPD has officers trained in Crime Prevention through Environmental Design. They are available to evaluate your place of business and make suggestions to help keep you safe. If interested, send an email to Captain Eldredge at heldredge@brewster-ma.gov.

We are focused on making sure all businesses are in compliance with State and local handicap parking ordinances. Please make sure you are in compliance. If you have any questions, contact the building department at Town Hall.

Please make sure to update your contact information. We may need to contact somebody in the middle of the night and don't want to wake the wrong person!

Let us know if we can be of any assistance.

Sincerely,

Richard J. Koch Jr., Chief of Police
